

**ARTIFICIAL INTELLIGENCE FOR COMPOSITE MATERIALS
CONFERENCE
(AIComp 2026)**

August 5-7, 2026 – Vancouver, Canada

**Author's guide to
Abstract submission**

For AIComp 2026, all abstracts must be submitted exclusively through the [conference's website](https://composites-ai.org/papers/). This document provides a guideline on submitting an abstract to AIComp 2026.

1. Create an abstract for AIComp 2026

AIComp 2026 requires the authors to use the template provided. The template can be found here: <https://composites-ai.org/papers/>

Please note that the final abstract submitted must be in PDF format. The file name should follow this pattern: **LastNameOfCorrespondingAuthor_AIComp2026.pdf**.

2. Navigate to AIComp 2026 website

The abstract must be submitted via the submission form on the [conference's website](https://composites-ai.org/papers/) (<https://composites-ai.org/papers/>).

3. Submit the abstract

On the submission page, fill out the requested fields. All the fields are mandatory.

Please make sure to enter all authors' names and affiliations. The presenting author must be specified by placing a # in front of their name. A maximum of 5 keywords is allowed.

Once submitted, the message below will appear on the screen:

"Thank you for your submission. A confirmation will be sent shortly. We appreciate your patience while we verify the submission."

You will receive a submission confirmation email to the address entered in the 'Your email' field. **Please check your spam folder if you do not receive this confirmation email.**
